Registration instructions for the ENTERSOFTONE platform

In order to obtain access credentials for the ENTERSOFTONE platform, please refer to the relevant instructions by selecting one of the articles below, depending on the case applicable to you.

To register a new legal or natural person, please check the following articles:

- [How do I register a new Legal Entity \(e.g. commercial company, etc.\)?](#)
- [How do I register a new Natural Person/Trader?](#)

To register a new user to an existing legal or natural person, please check the following article:

- [How do I register a new user in an already registered Legal or Natural Person \(company, trader, etc.\)?](#)

To register a new consortium or association, please check the following article:

- [How do I register a new Consortium / Association of Companies?](#)

Please note that the registration in our applications is provided free of charge.

We remain at your disposal for any further clarifications.
